Hi Jim – I have spoken with Debbie Danforth in purchasing here at the DPH/State Lab. There is already a mechanism in place to pay for these bills. Debbie is going to encumber additional funds from Food and Drug accounts next week to cover the cost for each phone and monthly charges.

Merry Christmas!

Hi Patti,

I am trying to find out about paying for new phone installation. Cost is \$82.50 each for phone and \$17.00 per month per line, with a monthly increase of \$34.00. You will need approval from purchasing for additional monthly phone cost.
